I am…

Purpose: To create a visual display of writing that reveals personality with digital images of self

Instructions: As a class, we will take pictures of each other for our display. Here are your directions:

1. Complete the following writing in Microsoft Word. Adjust the font, size, color and overall appearance to reflect your personality. All content should be school appropriate! Print in color, on colored paper, or black and white to enhance the appearance of your paper. Make sure you look at the document (print preview) to ensure you like how it looks and fits on the page.

   I am…
   I wonder…
   I hear…
   I see…
   I want…
   I am…

   I pretend…
   I feel…
   I touch…
   I worry…
   I cry…
   I am…

   I understand…
   I dream…
   I try…
   I hope…
   I am…

2. Cut your picture out that you have selected. Glue your picture to your document making sure you can see the printed words.

3. Submit to teacher for approval.

4. These will be displayed for all to view!
