**Tonya Skinner, Guest
Speaker**

In her 26 years of teaching, Tonya has taught just about everything in business education from 4th grade keyboarding to Business Law to Desktop Publishing and even pre-kindergarten summer school computers! Her biggest hope when speaking to groups is that she can get them as excited as she is about what she is blessed to do each day-teach students to be lifelong learners and embrace the opportunity to be an enthusiastic and positive role model for life. She loves sharing resources and helping teachers to reach their full potential.
